

We need to raise almost **£2 million** annually to run Willow Wood

and with your contribution we can make it happen! **You Win - We Win!**

What makes Willow Wood so special?

Willow Wood is a beautiful, purpose built Hospice situated in Ashton-under-Lyne. It provides a warm, homely environment full of love and laughter. It has twelve In-patient beds and a Day Hospice which provide specialist palliative care to patients with terminal illnesses throughout Tameside & Glossop

A team of professionals provide a skilled and, above all, caring service aimed at keeping patients free from pain and anxiety. The Hospice also provides complimentary therapies and out patient services, together with spiritual support.

Our holistic approach means that carers and families also receive the support they need including bereavement support and we ensure that our patients maintain dignity and live their life to the full.

We do not charge for our services.

This means that we must rely almost entirely on local sources to raise the funds to provide the highest level of care for all who need it.

One source of that funding is our very own lottery.
